

You Made Christmas Possible

EVERY CHILD DESERVES CHRISTMAS

Because of the generosity of our volunteers, donors, sponsors, and community partners, Georgia National Guard Families experienced hope, joy, and the true spirit of Christmas.

MAKING A DIFFERENCE

Real Georgia National Guard Families. *Real Stories. Real Impact.*

Behind every number is a military Family whose Christmas was made brighter through the generosity of our volunteers, donors, sponsors, and community partners.

“

The Christmas Assistance Program allowed our family to provide gifts to our children. During the Christmas time last year my wife was very sick and lost her job due to serious chronic illness she was battling. She spent most of the holiday season in the hospital away from family and leaving me to provide emotionally and physically for our kids without any type of break. I was emotionally drained and physically exhausted if it wasn't for my mother in law I would not have been able to recharge and keep moving forward.

My experience with CAP has been incredible, last year our children were able to do many fun activities, meet the Grinch and Mrs. Claus. They made Christmas ornaments and CAP provided presents for our children. Without them we would not have been able to give our children Christmas gifts. It meant so much to us that our family didn't have to experience the real struggle of not having a Christmas.

To each and every donor thank you, from the bottom of my heart. Just imagining my children waking up Christmas morning and not having anything under the tree brings tears to my eyes. You made the miracle a reality and allowed them to have a full Christmas.

Last Christmas was one of the hardest years our family had ever experienced. Because of the CAP, our children woke up believing Christmas miracles can still happen. Thank you for reminding us we weren't alone.

We have been SO blessed by this program. We have a large family and make just enough to make it these those 30 days. This program has helped us accomplish Christmas for our children! By doing this we are able to keep our electricity on, keep food on the table, and everything that is vital for our family! We cannot begin to express how truly appreciative we are for this program, and how it blesses our family every year!

I really appreciate this program. I really appreciate the real gifts that I was able to give my kids. Unfortunately, with being in the moment I didn't capture the gifts and the smiles that were given on the day of opening the gifts but would still love to share pictures of the little kids that were blessed from the gifts. Thank you so much for giving and all that you do.

BEHIND EVERY UNIFORM IS A FAMILY SERVING, TOO.

Every day, Georgia National Guard Soldiers and Airmen answer the call—whether serving overseas, responding to emergencies at home, supporting disaster response, or preparing for the next mission. Behind every uniform is a Family sharing in those sacrifices.

While our Service Members focus on the mission, many military Families quietly face financial hardship and the unexpected challenges of military life. The **Tammy S. McEver Christmas Assistance Program (CAP)** exists to ensure those Families know they are supported, valued, and never alone.

SPECIAL RECOGNITION

Special thanks to the many Georgia National Guard leaders, Service Members, military units, community partners, businesses, civic organizations, churches, volunteers, and individual donors who have supported the Christmas Assistance Program through donations, toy drives, volunteering, financial contributions, and adopting military Families.

Your generosity continues to make a lasting impact on Soldiers, Airmen, and their Families across Georgia.

Every gift represents our commitment to taking care of our military Families.
