NATIONWIDE Active Guard and Reserve (AGR) Vacancy Announcement

Announcement Number: 24-075

Opening Date: 15 Jul 24

Closing Date: 31 Jul 24

Position Title: CBRN NCO

Authorized Grade: E5

Duty MOS / AOC / Branch: 74D2R

Duty Location: 4th CST, Marietta, GA

Application Restrictions

Applicant must be eligible to become a member of the Army National Guard.

Open to grades E4 – E5. (Soldiers in the grade of E6 may apply but, must agree to an admin reduction if selected)

Any MOS may apply.

Must meet HT / WT requirements IAW AR 600-9.

Must have a current ACFT.

Must not be currently flagged or pending any adverse actions.

Non-AGR applicants must be able to serve at least 3 years prior to reaching 18 years active federal service or reaching age 60.

Additional requirements to AR 600-20 will be diagnostic ACFT and the Level A stress assessment to determine whether an individual is claustrophobic, and a pulmonary functions test (PFT) will be made prior to the selection board.

ASVAB: A minimum score of 100 in aptitude area ST.

PUHLES: 122221

Required Security Clearance: Secret (*Section II of Record Brief must show current security clearance. If not, a memo from the State Security Manager certifying you have a favorable background check with no derogatory information on file and that you are eligible for at least an interim clearance.*)

Note: *If vacancy is opened to any MOS / AOC / Branch; selectee must become duty position qualified within 12 months of hire date (if applicable). Failure to do so could result in termination from the AGR program. Applicants must meet ASVAB and PUHLES prerequisites to reclass.*

Duty Description:

Assumes the duties of the CBRN Team Chief when the individual is not present at an incident response. Responsible for the proper setup, maintenance and operation of state of the art CBRN detection, identification and sample collection equipment. Uses the National Institute for Occupational Safety and Health (NIOSH) Guide to select the appropriate respiratory protection. Fully knowledgeable of all CBRN/HAZMAT response operations to include Personnel Protective Equipment (PPE) selection and use, hazard detection, identification and monitoring, first aid/antidote administration, safe patient extraction, equipment and personnel decontamination, crime scene/evidence preservation techniques, and chain of custody requirements. Maintains a HAZMAT Technician qualification_ Assists in maintaining the Survey Team portion of the unit Standard Operating Procedures (SOPs) for Survey personnel during response operations. Participates in Survey Team pre-entry briefings prior to the conduct of down range operations as required. Participates in the debrief of Survey Team members after the conduct of down range operations as required. Responsible for tracking WMD-CST personnel entering/exiting an incident site as required. Performs all operational tasks while wearing all levels of OSHA Personnel Protective Equipment (PPE). Observes and reports detailed information on the physical layout of the incident site. Provides detailed information pertaining to the location of the entry team within the incident site via radio to facilitate operational tracking and emergency extraction.
