All outside employment, associations and off-duty conduct/activities must be consistent with Federal directives on ethics and with State and Federal conflict of interest policies. If the Soldier or Airman holds an alternate MOS/AFSC identified in the WMD-CST TDA, the State will submit an exception to policy request to the appropriate NGB staff section for approval before hiring action is completed.

Duty Description

Responsible for assuming the duties of the Operations officer when the Operations officer is absent from the unit and conducts interface with Federal, State and local law enforcement agencies as required. Knowledgeable of the Incident Command System (ICS) employed at the local and state level and procedures for crime scene and evidence preservation at a WMD incident. Integrates current intelligence estimates into WMD CST force protection requirements and Chemical-Biological response missions. Meets with designated civilian government agency and/or senior military leaders to discuss WMD CST concept, mission, and/or plan WMD CST participation in a state/local WMD response. Serves as a WMD CST liaison/point of contact with emergency response agencies and Incident Commanders on WMD CST consequence management activities. Serves as the WMD CST Safety Leader when WMD CST personnel

are conducting operations in a "Hot Zone" or "contaminated area". Coordinates with designated law enforcement agencies. Serves as point of contact for all law enforcement issues. Authenticates the overall force protection plan within the WMD CST SOP and Operations Order. Develops the WMD CST Cold, Warm and Hot Zone Operations Safety Plan. As required, drafts a readiness status report for the command. Ensures WMD CST is provided sufficient force protection to accomplish their mission. Serves as the WMD CST Air Movement Officer coordinates air support for unit deployment and redeployment and on-scene air support for the unit (ASI 3S). PCS Authorized (if needed).
