BRIEF DESCRIPTION OF DUTIES

Manages, supervises, and performs targeting intelligence activities and functions including analyzing targets. In addition, develops targeting solutions and evaluates effects in support of planning and execution of an effects based approach to operations that achieves the commander's objectives.

KNOWLEDGE, SKILLS AND ABILITIES (KSAs) REQUIRED FOR THIS POSITION:

- A. Executes missions across all applicable activities, including qualification training, scheduling, and tactical procedures.
- B. Applies comprehensive knowledge of Airborne ISR concepts and related intelligence systems to brief personnel on combat planning, weather, and mission objectives. Collaborates with operations officers and diverse national/coaline organizations (e.g., MAJCOM, Joint Commands) to develop operations exercises that test unit capabilities.
- C. Optimizes weapon systems for intelligence integration and conducts warfighter education for combat mission-ready personnel. Collaborates with the training section to expand recurring instruction, administers tactical exams, and trains unit personnel on new system employment techniques.
- D. Develops new tactics for ISR operations and conducts developmental/operational testing to enhance the fielding of future intelligence systems. Leads efforts to maintain the unit tactics manual and collaborates on researching and developing new Tactics, Techniques, and Procedures (TTPs).
- E. Recommends operational updates to the Air Force Doctrine Document (AFDD 3-1) and corrects deficiencies in squadron employment plans to ensure mission readiness. Monitors training programs and liaises with higher headquarters to provide modern weapons, tactics, and intelligence system materials.
- F. Executes the unit training program to prepare and certify operators for deployment under MAJCOM guidance. Delivers academic and practical instruction on intelligence systems while managing and updating course materials, tests, and simulation scenarios.
- G. Matches training requirements against simulator and aircraft resources while coordinating logistics, travel, and equipment acquisition for deployments. Establishes training objectives with external agencies and organizes national-level submissions for Authority to Operate.
- H. Serves within the IMINT and Targeting sections, correlating multi-INT data to support time-critical targeting, BDA, and threat analysis. Exploits raw imagery (including UAV sources) to plot damage, interpret terrain, and satisfy urgent taskings from Joint Commands and National Agencies.
