ASVAB:

PUHLES:

Required Security Clearance: Secret (*IPPSA Talent Profile must show current security clearance. If not, a memo from the State Security Manager certifying you have a favorable background check with no derogatory information on file and that you are eligible for at least an interim clearance.*)

Note: *If vacancy is opened to any MOS / AOC / Branch; selectee must become duty position qualified within 12 months of hire date (if applicable). Failure to do so could result in termination from the AGR program. Applicants must meet ASVAB and PUHLES prerequisites to reclass.*

Duty Description:

Survey Team Leader assists the Commander in providing extensive Chemical, Biological, Radiological and Nuclear (CBRN) related technical advice and on-site situational assessments covering recon, detection, identification, monitoring decontamination to federal, state and local response agencies in the event of an incident. Coordinate with Federal and State agencies, local first responders and HAZMAT teams for disaster planning. Assist the Commander in the training of personnel covering 14 MOS in addition to detailed training in Civil Support Operations. Supervise the acquisition, storage and maintenance of over 2.5 million dollars of equipment. When directed, serve as the senior liaison and point of contact to designated civilian government agency and /or senior military leaders to discuss WMD CST concept, mission, and/or plan WMD CST participation in a state/local WMD response. Serves as the Unit Safety Officer and Unit Billing Official.
