

TEACHER RESPONSIBILITIES

2026-2027 Academy Year

SCHOOL & ACADEMY INFORMATION

School Name

Academy Dates

OUR PARTNERSHIP

Peach State STARBASE appreciates the support and expertise visiting teachers bring. Active partnership helps create a safe, focused, and successful academy experience for every student.

WHILE AT STARBASE, TEACHERS WILL

1

Remain actively engaged

Help maintain classroom order and discipline by participating with students throughout all classroom missions. STARBASE instructional time should not be used for grading, lesson planning, or unrelated work.

2

Support STARBASE instruction

Reinforce that STARBASE instructors are the primary teachers while students are in our facilities. Please reserve unrelated lessons and extended teachable moments for your school classroom because the academy curriculum is tightly scheduled.

3

Model responsible device use

Turn cellular phones and other devices off or place them on silent/vibrate mode. If you must take a call, please step outside the classroom.

Do not text or use social media within students' view. Public Wi-Fi is not available at STARBASE.

4

Use staff call signs

Address STARBASE team members by their call signs. This supports program culture and continuity of classroom expectations.

TEACHER ACKNOWLEDGMENT

Teacher's Printed Name

Date of Birth

Cell Phone Number

Driver's License
Number

Last Four Digits of SSN

Signature / Date

Thank you for partnering with Peach State STARBASE to enrich the lives and learning experiences of your students.
